*Note to club presidents: In an effort to conserve paper and to reduce postage costs, this notice is being sent electronically to club presidents only and to county federation officers and chairmen. Please disseminate this information to your other club officers and members. Hard copies of this notice will be sent through the mail only to those presidents who do not have e-mail.

West Campus Parking Directions

Traveling South on Georgia Avenue:

Turn **right** on King Street (at the 7-11), then **left** on Eastern Avenue, and then **left** at the stoplight at Georgia Avenue. This will place you in the north-bound flow of traffic on Georgia Avenue where you will turn **right** onto Jessup Blair Drive to enter the Cafritz Garage. (This basically takes you around one block so that you do not have to make a left hand turn across traffic if you do not want to).

Once you turn **right** on Jessup Blair, you will pass the Health Sciences building on the corner. The next building is Cafritz. Go past the first garage entrance, turn left as if you are going behind the Cafritz building, and make a left to go into the garage underneath the building on the back of the building. We will have staff there to help direct you.

Traveling West on the East-West Highway (Burlington):

Continue **west** (straight across) Georgia Avenue onto 13th Street, then **left** on Eastern Avenue and then **left** at the stoplight at Georgia Avenue. This will place you in the north-bound flow of traffic on Georgia Avenue where you will turn **right** onto Jessup Blair Drive .

Once you turn **right** on Jessup Blair, you will pass the Health Sciences building on the corner. The next building is Cafritz. Go past the first garage entrance, turn left as if you are going behind the Cafritz building, and make a left to go into the garage underneath the building on the back of the building. We will have staff there to help direct you.

Traveling East on the East-West Highway:

Turn **right** onto Georgia Avenue, then **right** on King Street (at the 7-11), then **left** on Eastern Avenue, and then **left** at the stoplight at Georgia Avenue. This will place you in the north-bound flow of traffic on Georgia Avenue where you will turn **right** onto Jessup Blair Drive.

Once you turn **right** on Jessup Blair, you will pass the Health Sciences building on the corner. The next building is Cafritz. Go past the first garage entrance, turn left as if you are going behind the Cafritz building, and make a left to go into the garage underneath the building on the back of the building. Campus staff will be there to help direct you.
