

To Whom It May Concern:

The Woman's Club of Glyndon was organized in 1900 and unites women of Glyndon, Maryland and the surrounding communities exclusively for charitable and educational purposes. Our members provide hands-on assistance to those in need, and fundraising proceeds are donated to support 501(c)3 exempt organizations locally, nationally and worldwide.

On October 28, 2017 we are hosting a dinner and silent auction and we are asking for a donation of any kind for our auction. Proceeds will be used to fund our numerous mission-oriented projects including partnering with a local elementary school serving underprivileged children, providing handmade blankets for a homeless shelter and quilts for hospitalized children, and scholarships for high school graduates. The club sponsors an annual youth art contest and supports a project to help end human trafficking, a mobile clinic providing free medical and dental care, and many other endeavors.

Donations may be sent to my address since our club only has a PO box. My address is 421 Cockeysmill Road, Reisterstown, MD 21136.

I appreciate any donation you are able to provide. For more information, please contact me at 410-833-1703.

Thanking you in advance for your help.

Sincerely,

Carol Parker
