President's Message

June 2018

Hello Ladies,

This will be my last letter until we meet again In September. I want to thank all of you who have helped the executive committee and myself try to contribute something to the club. As only past presidents, and those women who have worked with them can appreciate, the President's efforts which can be fruitless if she doesn't receive assistance.

One of the most consistent subjects raised, not only with this club but of other clubs has been that of membership; this subject can be very tiring, but it would be great to have more members i.e. more participation. It is great to see members bring guests and have them return to become members. As we look to next year we only have four out of five elected officers. This puts a burden on the officers, which can be lessened through your participation and promoting the club which will encourage new members to try their hand as an officer or chairman. In the coming year, won't you take it upon yourself to provide as best you can, evidence of your encouragement to the officers through your attendance and involvement. Our fifth elected officer is Vice President, which has not been filled, members reconsider this position, and step up.

Our meeting before the summer break is going to be a busy one. Voting of the officers, dues need to be paid, bylaws approved, and installation of the officers. Please plan to attend. Hopefully during the summer we can get together and relax.

June 14th. Our meeting day is Flag Day, it would be nice to wear some red, white and blue.

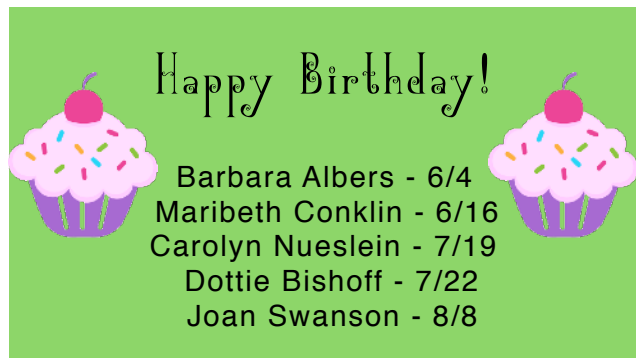

All my Best,

Dottie Bischoff

On the Friday before Mother's Day, Rose Marie, Dottie and Joan delivered a sumptuous meal that our ladies donated for both houses. Some of the women who live there were present when we came and expressed their gratefulness and helped us get the items in the houses. There is some money still left in our budget and we will be donating it to some charities yet to be decided by the committee. Have a wonderful summer and thank you all for your support for all our projects this year.

The Joppatowne Elementary School is having their annual volunteer Brunch on May 31st. This is always a fun occasion, and we also bring gifts for the children that we read with all year. A \$200.00 gift for the reading program was presented to Mrs. Constantine. The scholarship money (\$3,000) was sent to HCC and they will notify us of the recipient in the fall.

Please save labels, box tops, and Redner's tapes, and give them to Barbara L. These tapes provide over \$500 for our club each year. Have a wonderful Summer!!!

HARFORD COUNTY SHERIFF'S OFFICE SOUTHERN PRECINCT APPRECIATION COFFEE

We had a wonderful morning with Sheriff Gahler, his deputies and office staff on May 15. While the staff enjoyed coffee, baked goods, fruit and yogurt we had a chance to learn about the daily challenges the officers face. Joan Swanson again brought her pumpkin squares and everyone wanted to sample this delicious treat. We are fortunate to have an educated and dedicated staff in our sheriff's office to protect our county. Thank you Tina Naumann, Betty Manthei, Barbara Ledford, Jeanette Petnic, Joan Swanson, Rose Marie Vaccaro and Dottie Bishoff for rising early to thank our Sheriff's Office.

I wish to thank the JWC for donations and support of our projects throughout the year. The projects we undertake would not be possible without you. Enjoy your summer.

Remember to fly your flag on June 14th for Flag Day here are some guidelines for displaying the United States Flag.

1. The flag should be hoisted briskly and lowered ceremoniously
2. The flag is never allowed to touch the ground or floor
3. When hung over a sidewalk or a rope extending from a building to a pole, the union stars are always away from the building
4. When vertically hung over the center of the street, the flag always has the union stars to the north in an east/west street, and to the east in a north/south street.
5. The flag of the United States of America should be at the center and at the highest point of the group when a number of flags of states or localities or pennants of societies are grouped and display from staffs.
6. The flag should never be festooned, drawn back, nor up, in folds but always allowed to fall free.
7. The flag should be displayed at half-staff until noon on Memorial Day then raised to the top of the staff.
8. Never fly the flag upside down except as signal of distress in instances of extreme danger to life or property.
9. The flag is never flown in inclement weather except when using an all-weather flag.
10. The flag can be flown every day from sunrise to sunset and at night if illuminated properly.
